Civil Aeronautics Manuals and supplements thereto are issued by the Office of Aviation Safety, Civil Aeronautics Administration, for the guidance of the public and are published in the Federal Register and the Code of Federal Regulations.

Supplement No. 7

December 21, 1950

SUBJECT: 3.265 Water Loads

The purpose of this supplement is to indicate that the water loads conditions contained in ANC-3 Water Loads Bulletin, dated June 1950 are considered to provide a standard of safety equivalent to those in the pertinent sections of CAR 3.

3.265-2 Water Loads - Alternate Standards

Attached is a new page headed "3.265-2 Water Loads - Alternate Standards". This page should be retained in a series of similar statements that will be issued explaining or implementing Civil Air Regulation Part 3.

John F. Hensley
